REMARKS

Applicant amended the description of the figures to include a description of Fig. 25B in response to the Notice of Drawing Inconsistency with Specification. The proposed amendment does not require additional search or examination because the change in description merely corrects a typographical error. The amendment does not alter the scope of the invention.

The Commissioner is hereby authorized to credit overpayments or to charge any deficiency in connection with this filing to Deposit Account No. 19-3140. A duplicate copy of this sheet is enclosed.

Respectfully submitted,
